Michael, the Defendants will need to seek relief from the Court if we cannot work something out. We can either meet and confer to discuss this issue during a break at Professor Crawford's deposition today or, if you need to have someone else participate with you, we can do it tomorrow (Wednesday). Please let me know your preference. If you propose Wednesday, I am available from 9-10 am CT and from 2 pm-6 pm CT.

Regards,

Wes

Counsel:

In view of the fact that Professor Crawford has provided three expert reports as to three different subject areas, this last one being 365 pages (plus exhibits), we will need a second day to complete Professor Crawford's deposition. Please provide a second date in addition to the December 6th date that has already been scheduled.

Michael, I spoke with Joe about this issue for a few minutes Friday afternoon. He said it would be okay for us to raise the issue with Special Master Bayer on this morning's call, which I plan to do at the end of the call.

Wes
